- community service,
- school and leadership activities,
- and academic excellence.

The scholarship is a one-time award and is payable to an accredited post-secondary institution, skill/training center or trade school, not the student. The funds are provided to assist students with tuition, required registration or other fees.

- They must reside in Georgia, but may be attending an institution or school outside of the state of Georgia.
- They must be planning to enter or currently be attending an accredited post-secondary college or trade school. The institution must be willing to accept the scholarship payment from the Pioneers and credit it to the student's account. The check will be made payable to the school and mailed to the school. This regulation cannot be waived.

- Students cannot win in 2 consecutive years. Students who were awarded the AT&T Georgia Pioneers Scholarship in 2021 are not eligible to win in 2022.
