

North Paulding High School Class of 2028 High School Informational Meetings

Hello Class of 2028 Parents and Families,

The North Paulding High School Counseling team will be presenting two opportunities for your family to review high school information. Due to the class size of incoming freshmen, we are asking students and their families attend the assigned following session below. The presentation will include graduation requirements, the high school registration process, opportunities for your student, pathways, the HOPE scholarship, and much more!

If your family cannot make either of the two parent nights, this information will be placed on the North Paulding Counseling website under the rising freshmen tab at www.gonphs.weebly.com.

We are very excited to have our class of 2028 students join us next year. We will have counselors available to answer any parent and/or student questions after the presentation.

When:

Monday February 26, 2024 - McClure Middle School students last names of A-L, Moses Middle School students, & PVA students

OR

Tuesday February 27, 2024 – McClure Middle School students last names M-Z, & East Paulding Middle School students.

Where: North Paulding High School Main Gym
