

Caleb Lucas

Memorial Scholarship

Scholarship Purpose and Overview

Caleb Lucas was a student at NPHS and was in the first graduating class of NPHS 2011. Caleb lost his life suddenly and unexpectedly on February 10, 2016, and our lives have forever changed. Our son Caleb was an outgoing, compassionate person, when he was around he lit up the room and made everyone feel like they were someone special.

From the time, he could talk he would sing and loved music, he was a born musician. He was the happiest when he was playing guitar, piano and writing music. We just knew one day we would see him on "The Voice" or hear him on the radio. But life took us all on a different path. The purpose of the 'Caleb Lucas Memorial Scholarship' is to find purpose in our pain, by helping a student pursue their career in Music, Drama and the Arts. The funds for the scholarship have been raised through the 1st Annual Caleb's Cup Golf Tournament held at Bentwater Golf Course on September 12, 2016. We were thrilled with the outpouring of support and love in the community and now want to give back to a student, like you, one with dreams and hopes for an education in this field.

Help Caleb live on through your talents and love of life. Wishing you the best of luck in the bright future you have ahead of you!

Matt, Rhonda, Mackenzie and Micah Lucas
