

Caleb Lucas Class of 2024 Memorial Scholarship-“Just Once”

Scholarship Purpose and Overview

Caleb Lucas our son was a student at NPHS and was in the first graduating class of 2011. Caleb lost his life suddenly and unexpectedly on February 10, 2016. At that moment, our lives forever changed. Caleb was an outgoing, compassionate and kind person, he lit up a room and made everyone feel like they were someone special.

From the time he could talk he would sing, he loved music and every type of music. He was a born musician, playing the piano and guitar came naturally to him, he wrote music and had a very beautiful and unique voice. It was his go-to when he wanted to express his feelings, and for many hours at a time we would hear him practicing and singing. We often would dream of seeing him on television auditioning for “The Voice” but life took us all on a different path then we had imagined and dreamed of.

What will we do with our pain? We had to find hope and purpose in our loss and that is where the “Caleb Lucas Memorial Scholarship” was birthed. A scholarship to help others pursuing a major or minor in Music, Drama or the Arts. The funds for this scholarship have been raised for this year 2020, through the 4th annual Caleb’s Cup Golf Tournament that was held this past year at Governors Towne Club in October. We have been thrilled with the outpouring of love and support from family, friends and our community and now we want to give back to a student, a student like YOU, one with dreams and hopes for an education and future in this field.

You can help our son Caleb live on by making good decisions and using your talents and hard work for a bright future. We look forward to seeing what is in store for you and we know God has a divine plan for your life.
