

NPHS DE Course Planning – Common Required College Courses

Did you know that in college, no matter what you major in, you are required to complete many general education credits? ***If you are unsure where to start with your Dual Enrollment courses, these general education curriculum courses may be a good choice!*** Keep in mind that some may have prerequisites and not all courses listed below are available at all colleges, or with the exact name listed. Many of these may also fulfill your high school graduation requirements. Always reach out to your high school counselor or DE college advisor with any questions!
