Student/Parent

- ____/____ 1. Space in required classes is limited; therefore, no student is guaranteed placement in courses needed for early graduation.
- ____/____ 2. I have been advised about Dual Enrollment and understand that by graduating early, I may be giving up the opportunity to earn college credit for free through the DE program.
- ____/____ 3. **HOPE Scholarship eligibility is only determined in June and February. (For mid-year graduates only: tuition and fee monies for the spring term will not be available in January for a mid-year graduate.** Some colleges will reimburse students once the HOPE Report has been finalized and verified with the Georgia Student Finance Commission.) All end-of-school year graduates are processed by mid-June.
- ____/____ 4. I understand that the final course grades will not be verified and posted to the transcript until mid-January for the fall semester and mid-June for the spring semester.
- ____/____ 5. I understand to be HOPE eligible that graduating students must have four additional rigorous, full credit courses completed to qualify for the HOPE Scholarship.
- ____/____ 6. Students who are early graduates should make scholarship applications for the fall term of the year following the graduation year.
- ____/____ 7. I understand that early graduation may impact my acceptance to a college or university, depending upon their admissions criteria. Some post-secondary institutions want students who have taken several rigorous courses and/or been involved in dual enrollment opportunities. Thus, it is my responsibility to seek admissions information regarding the post secondary school of my choice.
- ____/____ 8. I know that it is my responsibility to obtain information related to graduation including but not limited to the ceremony at the end of second semester and to make arrangements to attend practice and participate in the ceremony.
- ____/____ 9. I understand that I must complete my entire last semester of the graduation year. Early graduation students will not be permitted to take final exams early.
- ____/____ 10. The courses, testing (EOCs), and any additional graduation requirements listed on Page 2 of the senior letter must be successfully completed in order to graduate early.
- ____/____ 11. I know that I must complete all BRIDGE Advisement tasks in my portfolio as required by law.
- ____/____ 12. I understand that students graduating a full year early (at the end of the 3rd year) are **not eligible** for Valedictorian or Salutatorian distinctions.
- ____/____ 13. I agree to abide by these criteria.

Paulding County School District **Early GRADUATION PROTOCOL**

All high school students wishing to apply for early graduation **MUST** have an intent form on file. The Early Graduation request, documentation, and protocol consist of:

- 1) **Intent form is completed** (top portion) by student before the deadline and submitted to school counselor.
- 2) **Advisement conference by school counselor** is held with student/parent or guardian to discuss options other than early graduation on or before the deadline. Some of these options include:
 - a. Dual Enrollment
 - b. Career Pathways
 - c. Work-based Learning
 - d. Other
- 3) Statements on intent form are **signed by student and parent/guardian** during the advisement conference with counselor.
- 4) After the advisement conference has been held the early graduation request packet is **prepared by the counselor** and **submitted to the principal** for review and approval. This packet includes:
 - a. Intent Form with completed/initialed checklist.
 - b. Copy of completed senior letter with all signatures.
 1. Course requirements to be met.
 2. Other requirements to be met.
 - c. Transcript Audit Check Sheet or Progress Tab from IC
 - d. Schedule from Infinite Campus from the school year with appropriate classes on schedule
 - e. Official Transcript
 - f. BRIDGE Law Advisement task completion
- 5) Once the principal approves the packet and signs off, the packet of information (6. a-h) is sent to the Director of Advising & Counseling.
- 6) The Director of Advising & Counseling reviews all documentation and approves or denies the request.
- 7) After approval, the principal and counselor of record are notified via email that the request has been approved. If additional information is needed, the principal and counselor of record are notified what information is needed.
- 8) If the request is not approved, the Director of Advising & Counseling notifies the principal and counselor of record that the request has not been approved.
- 9) Once the counselor and principal receive an approval email, they are required to follow-up after semester grades are posted to the transcript that all required courses have been successfully passed with a 70 or higher.
- 10) The counselor notifies student/parent that the graduation date has been updated in the student information system and that the official transcript reflects the graduation date. The date of graduation is always the last school day of either 1st or 2nd semester.
- 11) During mid-February or mid-June, the student's transcript data is uploaded to the Georgia Student Finance Commission and a final verification process takes place. Post secondary institutions have this verified data from the Georgia Student Finance Commission (HOPE Eligible or HOPE Ineligible).
