

How to create a GA Futures Account

How to create a GA Futures Account

Step One:

Students should go to

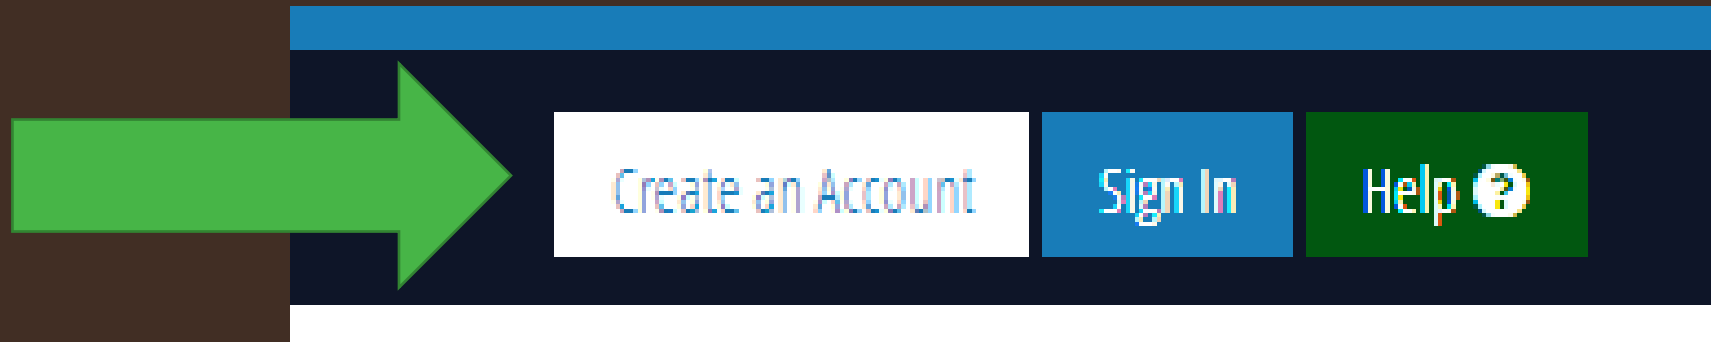

www.GAFutures.org

How to create a GA Futures Account

Step Two:

Students should select "Create an Account" from the top of the page.

How to create a GA Futures Account

Step Three:

Choose the "Student" option as the account type you want to create.

CREATE YOUR GAFUTURES ACCOUNT
Click on the group that best describes you

 Education Professional [?](#)

 General User [?](#)

A large green arrow points from the left towards the 'Student' option.

How to create a GA Futures Account

Step Four:

Complete all required fields marked with a red asterisk *

Note: Be sure your date of birth and legal first and name are entered. Do not enter your nickname as your name. For example: Liv for Olivia.

If you enter this information wrong, this can cause errors with sending transcripts, applying to colleges, dual enrollment, and Hope funding in the future. Do not use your school email. Use your personal email address.

1 Step 1 2 Step 2 3 Step 3 Complete

Fields marked with * are required.

First Name * <input type="text" value="Enter first name"/>	Middle Initial <input type="text" value="Middle initial"/>	Last Name * <input type="text" value="Enter last name"/>	Date of Birth * <input type="text" value="mm/dd/yyyy"/>
Email * <input type="text" value="primary.email@example.com"/>		Reenter Email * <input type="text" value="primary.email@example.com"/>	
Alternate Email <input type="text" value="alternate.email@example.com"/>		Reenter Alternate Email <input type="text" value="alternate.email@example.com"/>	

How to create a GA Futures Account

Step Five:

Complete all the steps to create an account as shown on your screen.

- Students generally use their student ID as their username or NPHS and their student ID. For example: NPHS12345. This is not required but a suggestion
- Be sure to enter all information accurately including your current grade and address. Students must enter their social security number to view their HOPE GPA, send transcripts, apply to dual enrollment, and more, but this is **not** required to create an account. If you do not know your social security number, create your account today, and login with a parent and enter your social security information later.
- Be sure your password has an uppercase, lowercase, number, and special character.
- You cannot move forward and create your account until all required information is entered. Again, your social security number is not required to create an account today.

Be sure to hit “I acknowledge” and the “I’m not a robot” options at the bottom.

Then select “create an account.”

Username * (Username is lowercase.)

Password *

Your password should be at least 8 characters long and contain 1 number, 1 special character, 1 upper case character and 1 lower case character

Reenter Password *

How to create a GA Futures Account

When the account is created, students will be directed to the page shown below.

Students be sure to write down your username and password in a safe place. Some students save it to their locked phone notes and others prefer other methods. You will need this over the next four years so be sure to save this information in a safe place.

The screenshot displays a student dashboard with a green sidebar on the left and a main content area on the right. The sidebar contains the following menu items: Profile, Messages, My Dual Enrollment Profile, My High School HOPE GPA, My High School Transcript, My College HOPE Profile, My GSFA State Loan (Pathways), College Application, Document Upload, Saved Colleges, Saved Scholarships, and Student Resources. The main content area features a blue header that reads "Welcome To Your Student Dashboard" followed by a redacted name. Below the header are three dark blue buttons, each with a white plus sign on the right side. The buttons are labeled "Plan&Pay4CollegeGA", "ACT/SAT Scores", and "GSFAPP, FAFSA and Selective Service".
