Dear Counselors,

Clayton State University offers a comprehensive scholarship opportunity for outstanding students, the [Presidential Scholarship](#). In addition to the HOPE scholarship and any other financial aid, Presidential Scholars receive:

- **An annual university grant of \$3,000 (an approximate value of \$12,000)**
- **University housing for 4 years**
- **A bookstore award of \$250.00**

The Presidential Scholarship recognizes students who have been truly exceptional, both academically and as student leaders, during their high school career. We seek to attract students who demonstrate the potential to make exceptionally strong contributions to the student body, both in the classroom and through extracurricular life on campus. Our Presidential Scholars represent diverse intellectual, social, ethnic, and economic backgrounds. Candidates that apply for, and are awarded this renewable, merit-based scholarship will receive full tuition, student fees and housing for eight consecutive semesters. The Presidential Scholarship is the most selective scholarship award offered by Clayton State University.

Clayton State University is a member of the University System of Georgia. Our students reside in all counties of metropolitan Atlanta as well as throughout Georgia. The student body represents every region of the United States and some 50 foreign countries. The University's wooded landscape features five lakes, ducks and swans. Our beautiful campus sits approximately 20 miles south of Atlanta.
