About the Scholarship

Becky Strickland Echols was one of the most giving individuals one could ever know. She gave of herself unconditionally to her family, friends and community.

Mrs. Echols graduated from Hiram High School in 1968. After attending West Georgia College, she began her career in banking as a teller in 1978. From there she forged new opportunities for women in business and was eventually named the first female to sit on the Board of Directors at the First National Bank of Paulding County. Through numerous acquisitions, she was promoted within the company many times and ultimately named President of Regions Bank West Metro, again the first female bank president within the Corporation.

In addition to her achievements in the banking industry, Becky was also a leader in Paulding's business community. She served as President of the Paulding County Chamber of Commerce and was named their Business Leader of the year in 1990, the first year the award was given. Later, the Paulding Chamber honored her again with Citizen of the Year, an award her father Ben Hill Strickland received in 1973. She is currently the only person to ever receive both honors from the chamber.

Becky Echols was a person of high ideals whose friendship was cherished by all who knew her. She worked hard to foster growth and positive change in her community and will be remembered and greatly missed by her family and friends. The purpose of this scholarship is to award deserving students the

opportunity to further their education in honor of Becky Strickland Echols.

Becky Echols had a unique gift of touching the lives of those she came in contact with, and a light will always shine in those lives she so specially touched. It is our hope that the recipient of this scholarship will be an example of that eternal light that will always be Becky.
